

# HERZLICHEN DANK - GRAZIE DI CUORE A HEARTFUL THANKS

FROM OUR:

BUFFALOES  
SHEEP  
CHICKENS AND DUCKS

AND FROM OUR:  
CATS AND DOGS

AND OF COURSE, ALSO FROM: DOROTHEA FRIZ  
The Board Members of LEGA PRO ANIMALE  
and of FONDAZIONE MONDO ANIMALE  
ANIL, our custodian  
and from all the VOLUNTEERS

Heartfelt thanks especially to the DEUTSCHER TIERSCHUTZBUND e.V. in Germany, AISPA in London, the GAZAN FOUNDATION, and the HAND-IN-HAND FOUNDATION in Switzerland, as well as to all the large and small donors from around the world who have contributed to keeping the boat moving forward for over 40 years. Without your support, we would not have been able to achieve anything; we would not have been able to build the clinic, welcome and care for animals in need, and, above all, we would NEVER have been able to spay and neuter over 90,000 dogs and cats.

LET'S MOVE FORWARD - EVERY SPAY OR NEUTER COUNTS!

# WORLD SPAY DAY 2023+2024

Every year in February, specifically on the fourth Tuesday of the month, **WORLD SPAY DAY** is celebrated globally to educate dog and cat owners about the importance of having their pets neutered! If you want to know more, here is the link:

<https://www.dorisdayanimalfoundation.org/work/world-spay-day>

In the small clinic in Rocca D'Evandro, on Friday, February 17, 2023, two veterinarians (Carolyn and Dorothea) and two volunteers (Severina and Giovanna) spayed/neutered a total of 19 cats (13 females and 6 males).

Friday 23 February 2024:

We had an almost identical team, but this time at the LEGA PRO ANIMALE Centre in Castel Volturno, where Carolyn, Dorothea, and Giovanna were joined by Anil, who stepped in for Severina to assist us. Together, we successfully neutered 17 cats and 2 dogs. Prior to the procedures, we collected all the animals from their owners and ensured they were returned safely after their operations.

### THE "MINI TEAM" OF LPA

Below: ANIL (caretaker) not only cares for our animals but also maintains our land (1 hectare) entirely on his own. His son, AKSH, loves playing with our dogs!

On the right: on Sundays, when ANIL is off, volunteers step in, and after their work, there's a coffee break with a cake prepared by ANNA (right). On the left is GIOVANNA, and in the centre is DOROTHEA.

### HIGHLIGHT OF MY WORK FOR THE WELFARE OF ANIMALS

I was almost in disbelief when I received the invitation from Dr. med vet Woehr, a veterinary surgeon, animal protection specialist, and representative for Animal Welfare of the Veterinary Faculty at Ludwig Maximilians University of Munich, to speak at the beginning of 2024 about my work in Italy during a conference themed "PROTECTION OF ANIMALS WITHOUT BORDERS," organized by the DEUTSCHE VETERINÄRMEDIZINISCHE GESELLSCHAFT E.V. (German Society for Veterinary Medicine e.V.).

I immediately began the preparatory work, which lasted from mid-November to mid-February. On Friday, March 1, it was my turn to present my work to approximately 600 veterinarians from the public health service throughout Germany. The primary focus was on finding solutions to a stray cat problem that was starting to emerge in Germany. I hope I could provide some useful advice!
